## From Pastor Rusty Smith

Today is Graduation Sunday at Mikado, and I extend congratulations to each graduate in our church family who has moved a tassel from one side of their cap to the other, signifying a milestone in their educational journey.

For our kindergarteners, I look forward with anticipation at watching each one of you grow over the next 12 years. Little feet, small hands, and impressionable minds – I pray that God will lead, guide, and direct you through the journey that remains before you.

High school graduates, your accomplishment merits the love, admiration, and best wishes from all who have shaped your life to this point. As you now are beginning to understand, the joy in this celebration is mixed with the emotions telling you it is time to step out and move forward. In that move, I challenge you to move closer to your Heavenly Father, move closer in your relationship to your parents, and move closer to becoming the man / lady God has created you to be!

To our college graduates, the impossible became possible because you dared to dream, and then you climbed until that dream came true! An unfailing God carried you through the valleys of doubt, and then He climbed the mountain of accomplishment with you. Looking back, God's been good! Graduate, I challenge you to lead: in your personal life, in your career, and in the lives of others . . . be a difference maker for Christ!

Finally, to those whose thirst for education led them to pursue and complete the daunting task of earning a graduate degree, may this higher level of learning be a sharpened tool that the Master may use in your life to impact the lives of others far greater than ever before by His grace and for His glory!

Congratulations Graduates!
